ADDENDUM NO.1

ZNCB/RFP/P&F/07/08/09/2022: TENDER FOR THE REFURBISHMENT OF LUANSHYA, KITWE INDUSTRIAL AND MUFULIRA ZANACO BRANCHES.

Reference is made to the above captioned tender.

Kindly be informed as follows:

No.	Questions from Bidders	Response from Zanaco
1	Duplication of CV's, what if the CV's for key personnel are from the same company bidding for different sites?	This is fine as long as the CV's of the key personnel will not be found in the other vendors submissions.
2	We have challenges on the 2021 audited statements because they are still being audited. Will you accept the 2019 financials?	Yes please, since the 2021 statements are still being audited, 2019 and 2020 will still be accepted.
3	Are you strict with NCC B – grades 2-4?	Yes, for this work we only need contractors with grade B, 2-4. This is because of the sensitivity of the works to be done in our branches.
4	Will there be mandatory site visits?	Sites visits are not mandatory, but for those that wish to visit the branches, please advise in advance so that we can arrange and advise the branches to expect you.
5	Will you consider grade C?	No, only grade B (2 – 4)

6	Is there a participating fee?	Be advised that this is free, you do not need to pay anything.
7	We noticed that the tender for Monze branch is not included on the website, kindly advise.	Monze branch is on hold, we shall advise. Otherwise, go ahead with the other three sites.
8	Closing date	The closing date still remains the same as 6 th May, 2022. Local time 15:00hrs.

Please note that all other details pertaining to this RFP remain unchanged.
